NAEP*

* Performance reported for SC and nation, data not available at school level. Percentages at NAEP Achievement Levels.

SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF SUPERINTENDENT

The 2008-09 school year had many successes for Georgetown County School District. Regarding academics, McDonald Elementary was a Palmetto's Finest finalist – for the second straight year. McDonald also was a Red Carpet winning school. Waccamaw High, an International Baccalaureate school, offered advanced courses in international studies and had its first I.B. graduate. Andrews, Carvers Bay, and Georgetown high schools also offered additional advanced placement courses, challenging their students. All the county high schools implemented "High Schools That Work." Carvers Bay High and Carvers Bay Middle implemented the "Teacher Advancement Program."

Carvers Bay High School advanced to the state football championship for the third consecutive year. Waccamaw High won state championships in boys tennis and golf. The district had several student athletes who won individual state championships.

Palmetto Gold Award Recipients for General Performance went to Waccamaw High School and Georgetown High School. Andrews High School won a Palmetto Silver Award for General Performance. Honored with Palmetto Silver Awards for Closing the Achievement Gap were Sampit Elementary School and Georgetown High School.

Our district Teacher of the Year, Derenda Marshall, was a state Top-Five Finalist; Sampit, Brown's Ferry, Pleasant Hill and Plantersville elementary schools were recognized for Closing the Achievement Gap; Brown's Ferry and Pleasant Hill elementary schools won the U.S. Healthier Choice Silver Award for meeting nutrition standards, going over and above requirements, and increasing physical activities for children; Andrews Elementary was awarded a \$43,000 fresh fruits and vegetables grant to buy fresh produce for children over and above what they receive for breakfast and lunch; Georgetown High NJROTC was recognized as a Distinguished Unit; and the district produced several individual and team state champions.

Much of this progress is due to the efforts of teachers, administrators, staff members, parents, students, and community members working together to make sustained improvements. With the support of parents and our business partners, students and teachers are striving to meet the increasing demands of the state accountability system and the federal average yearly progress requirements. Georgetown County School District has made good progress for the last few years due to the concerted efforts of many. Georgetown County School District has also made strides in many other areas. School security has been improved with additional video camera surveillance, locked entrances, and additional fencing. Technology has been improved and expanded to enhance instruction via replacing older computers and adding collaborative classrooms.

These are just a few of the many accomplishments for Georgetown County School District this year. Our goal is to continue to show marked progress in all areas. We are very proud of the many achievements for last year. We clearly plan to continue to expand and increase our accomplishments this year. Thank you for your support and help in achieving our goals.

H. Randall Dozier, Ph.D.
